## A Vastu-Designed Precious Metal Coin for Exquisite Biofield Support and Enhancement

The Prosperity Coin is the result of years of trial and error to find the best device for exquisite biofield support in today's frequency saturated environment. The Prosperity Coin is truly a beautiful, 100% precious metal coin designed to elegantly support and enhance your biofield – like no other device. The coin's base is made of 99.999% pure silver which is then layered with genuine 18k gold. The coin has a unique design: a circular periphery with a clear-cut oval in the center, based on superior geometric harmonics. It is a coin with superior Vastu energetics, thus allowing all four biofield polarities test on with vigor.

On one side of the coin are the words imprinted into the coin's exterior facing: Health, Success and Prosperity. On the other side of the coin, the "alpha dot" symbol (an important Vastu symbol) has been carefully etched into the exterior facing.

Please enjoy the great achievement of this beautiful coin's beauty, power and superior energetics for many years to come. Treat it as a highly valuable heirloom to pass down through your family from generation to generation.

**Recommended Use:** For exquisite biofield support and enhancement, this coin may be worn in either pocket (on the right or left side of the body) or may be worn as a pendant (by placing a chain or cord through the central oval in the coin) and then wearing it around your neck. Some people have chosen to wear two Prosperity Coins, one in each pocket on both sides of their body.

Many people also love to wear this coin to bed with them at night to continue its biofield enhancement all night long. The coin comes with a beautiful golden thread bag. It is recommended keep the coin in this bag at all times to protect against objects in your pocket from rubbing against it and/or to protect the exterior gold layering from wearing thin. It is recommended to avoid handling the coin too much (to eliminate touching it with the oils naturally present in your skin).

However, if you choose to wear the Prosperity Coin as a pendant, please feel free to allow its power and beauty to radiate out from against your skin – and simply don't worry too much about handling it. Please enjoy its beneficial properties and may you prosper for many years to come.
